Did your household suffer economic hardship from COVID-19? The Vermont COVID-19 Arrearage Assistance Program can help eligible utility customers with unpaid past due balances. The past due balance must be more than 60 days old for service provided after March 1, 2020. Apply for help online at <https://publicservice.vermont.gov/> or at your local community action agency.

To calculate the Member electric annual consumption, assign values to the bar graph, then add up for all 12 months. For this Member, Annual Total consumption = 6,010 kWh / year
